### Streamlined Efficiency

- Does about 80% of the work for you.
- Built-in surveys
- Step-by-step OCM framework guidance
- Simple & comprehensive interface

### Powerful Reports

- Program-level reporting across the organization
- Drill down: See impacts by projects, groups and sites
- Real-time reports for maximum impact

*“We work with a lot of spreadsheets, Word files, and PowerPoints. The challenge is that no one tool that has all the core deliverables, and to see this in your platform in one place and see results in real-time is going to be very useful for us.” – Sr. Change Leader*
